SUMMARY

Final-year B.Tech Computer Science & Engineering student at Shri Ramswaroop Memorial University, Lucknow (2023–2027), with hands-on experience in software and web development. Completed a web development internship at InternPe, delivering responsive applications for real clients. Actively building projects and seeking a software development internship to contribute meaningfully and grow as an engineer.

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, C

Web Technologies: HTML5, CSS3, JavaScript, Bootstrap, Flask

Tools & Platforms: Git, GitHub, VS Code, MySQL

Currently Learning: Data Structures & Algorithms (Java), React.js, AI/API Integration

WORK EXPERIENCE

Web Development Intern — InternPe · Remote

Jul 2025 – Aug 2025

- Developed responsive, cross-browser compatible websites using HTML, CSS, and JavaScript for real client projects, with no reliance on templates or frameworks.
- Managed tasks and timelines independently in a fully remote work environment, consistently meeting deadlines.
- Produced clean, well-structured front-end code ensuring compatibility across browsers and screen sizes.

PROJECTS

Trenova — Sportswear E-Commerce Website

HTML5 · CSS3 · JavaScript

- Built a complete multi-page e-commerce site with product listings, live search, category filters, and a fully functional shopping cart using localStorage for session persistence.
- Implemented toast notifications, smooth UI transitions, and a fully responsive mobile-first layout across all screen sizes.

Personal Portfolio Website

HTML5 · CSS3 · JavaScript

- Designed and developed a complete personal portfolio from scratch using only vanilla HTML, CSS, and JavaScript — no templates or UI frameworks used.
- Features include dark/light mode with localStorage persistence, AOS scroll animations, mobile hamburger navigation, and a working contact form integrated with Formspre.

To-Do List App

HTML5 · CSS3 · JavaScript

- Built an interactive task manager with add, complete, and delete functionality; tasks persist across browser sessions using localStorage.
- Clean, minimal, keyboard-accessible UI designed for distraction-free use.

EDUCATION

B.Tech in Computer Science & Engineering

2023 – 2027

Shri Ramswaroop Memorial University, Lucknow | CGPA: 7.58

Senior Secondary — Class XII (PCM)

2021 – 2023
